

## CTHS Rockies Ticket Sales 2023

As an organization, Cherokee Trail Baseball participates in a fundraiser with the Colorado Rockies to raise funds to cover the cost of baseball related expenses our program incurs. This fundraiser is the baseball program's primary source of funding. Through this fundraiser, we supplement the baseball program and provide an exceptional program and facility for the boys as well as the community.

The Rockies organization offers us tickets at a discounted rate, allowing us to make a profit on each ticket we sell. And because we committed to selling a certain quantity of tickets, our Varsity typically gets to play one game at Coors Field during the spring season. We will work on this happening this year, but it will be late in the season.

**How does CT Baseball make money from this Fundraiser?**

**CT Baseball purchases 2000 vouchers from the Rockies at a discounted rate for us to sell at a price of our choosing. We owe the Rockies for the initial 2000 vouchers, regardless of the number of tickets we sell (and our invoice is due March 31, 2023).**

**The advantages to our program...**

- 1. We keep all of the remaining proceeds**
- 2. Our Varsity plays a game at Coors Field**
- 3.. All players who sell their 30 vouchers and are in good academic standing will travel to Coors Field and attend the game. (All players are required to sell 30 vouchers in order to participate/play at Coors Field).**

### **What is the money used for?**

**The money generated from this fundraiser supports the necessary items to maintain as well as upgrade the CT baseball facilities. This includes but is not limited to...field leveling, fertilizer, dirt, sod, artificial turf, cage nets, paint, maintenance of vehicles (CTBB owns a gator, lawn mower, and drag), uniforms, baseballs, equipment, etc.**

### **How does the Rockies Fundraiser work?**

**Each baseball family sells a minimum of 30 vouchers at \$47 a voucher.**

### **What are Rockies Ticket Vouchers? And how do they work?**

**This year the Rockies are only selling vouchers to games. We will not be selling specific tickets to games. Vouchers will be used at the buyer's discretion and they will go to the Rockies website to exchange their vouchers for tickets. They will receive electronic tickets in exchange for their vouchers. These are great for the buyer who isn't sure what game(s) they would like to attend. Vouchers are \$47.00 (for two tickets). The Rockies have a large selection of games that you can redeem for the voucher. You pick your game and your seats. The game availability will continue to increase as more fans are allowed in the stadium.**

### **Where are the seats located?**

The sections vary for each game and we cannot guarantee a particular section or baseline. This will depend on when the individual redeems the voucher.

### **Can I donate my tickets?**

Yes! CT Baseball is working with Buckley Air Force Base and the Colorado Air National Guard.

### **Players going on the spring trip**

For players going on the spring trip will have their Rockies Fundraiser money go towards the trip. Players have the ability to sell as many tickets as they can to reduce their cost of the trip. Every voucher raises \$23 dollars.
