Cherokee Trail Baseball Community,

I hope this message finds you all well and safe in these uncertain and confusing times. As the Athletic Director of Cherokee Trail High School, I would like to take this opportunity to thank Coach Steve Eaton for his leadership, passion for the game, and his continued pursuit and commitment to making Cherokee Trail Baseball one of the best programs in the state. Coach Eaton is a class act and we are grateful for his time and effort spent with our student-athletes. Thank you Coach Eaton!

I will be naming Jon DiGiorgio as the interim head coach for Cherokee Trail Baseball. He has provided a letter to the community that is attached to this message. The position is currently posted on the CCSD webpage and the process for hiring a new coach will begin once, we as a district and school, have solid plans for opening schools and athletics.

The vision of the Athletic Department is dedicated to the pursuit of athletic excellence where all students have access to a program that values academics, character, equity, leadership, teamwork and quality. I would like to thank all the families and community members for their continued support of Cherokee Trail Boys' Baseball. Cherokee Trail High School serves a community that promotes character, discipline and a strong sense of purpose. There are high expectations placed on all of our student/athletes, and we are proud of them as they demonstrate teamwork, sportsmanship, and pride in their program.

GO COUGARS!

Steve Carpenter
